PolicyPro

Operation Manual Edition

Our Credit Union has been a user of CU PolicyPro for many years. We have always been happy with its functionality.

Since you purchased the tool and Web enabled it, it has been transformed into an awesome tool.

I am flying through some policies that we desperately needed and I use your product very easily and effectively.

If you have or are developing anything that is similar, I want to know about it. Please keep up the good work.

Key Features	Description
Secure, Web-based Platform	CUcorp's secure, Web-based platform provides instant, worldwide access to essential information. You and any authorized staff can securely access, view, print and update your policies from any Internet connection.
Complete Solution	CU PolicyPro provides a complete solution to setting up and maintaining policies including Complete Policy Manual, Monthly OPS Notes, Semi-Annual Updates and Operations Tools.
Manual Builder	"Manual Builder", CUcorp's online word processing tool, allows you to easily customize your manual. Because CU PolicyPro is already written in ready-to-use policy format, you can customize your manual using familiar word processing features.
Easily Add New Sections	One simple click creates a new page to be inserted in your manual. By adding the policy number, you determine where the new policy will fall in your manual.
Archive Capability	If a policy is not being used by your credit union, one button click can move the policy from your manual to archive, or can create a copy before updating, making it easy to access for future reference.
Easy Insertion of Semi-Annual Updated Information	For new policies or updated policies with no CU specific customization needed, one to two clicks will insert the new information into your manual.
Library Access	The Online OPS manual contains a Library section, which includes an archived history of all changes made from the Semi-Annual update, as well as all published monthly OPS notes.
Storage Area	The Storage Area provides a place to electronically store published manuals, as well as supplemental documents that can be accessed by authorized staff.
Access to the Master Manual	The online version contains the full text of the Master Manual – for reference or to easily revert back to the master text for any policy.
Access by User	The online version allows you to set different levels of access for staff, from full administrative access to read only access.
Subscription Service	Your subscription not only pays for the online hosting of your manual, but provides you with semi-annual updates, monthly OPS notes to keep your manual current and a toll-free number for technical support.
